LITTLE KNOWN AND USELESS FACTS

In the 2009 season more than 4000 scones were consumed in the cafe. These are all mixed and cut by hand without the use of machines.

We produced over 300 cakes and fruit loaves. Carrot cake seemed to be the most popular with coffee and walnut coming a close second.

The heaviest plate on 'Weigh & Pay' came in at £13.10 with the lightest being £1.21.
